

In Memoriam of Michael G. Charapp

We are writing with our deepest regrets that our partner, colleague, mentor, and dearest friend, Michael G. Charapp, passed away on Tuesday, June 13, 2023.

Mike was a legend in the automotive industry and his impact will continue. Mike started Charapp & Weiss, LLP with his long-time business partner and friend, Brad Weiss, with the vision and focus on protecting the business interests and rights of automobile dealers. Mike worked tirelessly to promote dealer interests. His dedication and leadership to the automotive industry was exceptional.

Having worked with Mike for many years, his sharp intellect and sense of humor will be sadly missed. The practice Mike started will continue on with Barrett Charapp Beaty, Brad Weiss, Kim MacCumbee and Travis Salisbury continuing Mike's vision to fight for clients in the same manner and with the same standards Mike established. Please feel free to contact anyone of us if you have questions. We stand ready to assist all clients in any of their needs.

Charlotte Charapp, Barrett Charapp Beaty, Aaron Charapp and his grandchildren will miss Mike dearly. Funeral services have not been determined at this time, but we will update you when those arrangements have been determined.
